

Happy New Year

January 2026

December welcomed one of our favourite annual events: the **Christmas Craft & Bake Sale**. This year was truly record-breaking, with 26 vendors filling 41 tables with extraordinary homemade and handcrafted treasures. We were thrilled to welcome several new vendors, many of whom shared that they're already looking forward to returning. The hall was alive with energy as visitors from near and far browsed an incredible variety of goods—everything from baking and knitting to woodworking, sewing, and more. It was a wonderful showcase of creativity and community spirit.

Our silent auction was another highlight, featuring generous donations from many of our vendors and local supporters. We celebrated a very happy 50/50 winner, and the kitchen even debuted a new menu item—taco in a bag which quickly became a crowd favourite.

As always, we extend our heartfelt thanks to everyone who attended, supported, and volunteered. Events like this shine because of the people who pour their time, talent, and heart into making them happen.

With the new year ahead, we're excited for the fresh events, menus, and friendly faces that await. Here's to another year of community, creativity, and connection.

Congratulations to the Christmas Colouring Contest Winners

👏 Shout-Out to Laurette Clement

Laurette is always ready to lend a hand wherever she's needed. Not only does she attend countless events in Woodridge and the surrounding areas, but she also gives so much of her own time to volunteer and support others. She has a special place in her heart for seeing kids smile — so much so that she stepped into the role of our honorary elf at the Christmas Activity Day, helping little ones decorate cookies and spreading holiday cheer. Her love of cooking and baking shines through in everything she does, including the delicious soft molasses cookies she made for everyone to enjoy at the parade with their hot chocolate. She often generously provides desserts for our Monday Senior Supper Meal Program.

Laurette also dedicates her time to Labroquerie Helping Hands. She made several trips delivering tins collected at community events, ensuring they reached Helping Hands to be turned into food baskets for families in need. These baskets support Woodridge and the surrounding area, where Laurette is right there helping distribute them with kindness and care.

Laurette, thank you for your generosity, your spirit, and everything you do for our community. We appreciate you more than words can say!
